Blue Moon Mexican Cafe
PO Box 92
Wyckoff, NJ 07481

Dear Colleen,

Each year, the National Restaurant Association recognizes outstanding restaurants around the country with its Restaurant Neighbor Award. This prestigious national award honors restaurants that go above and beyond in community service and aims to inspire other restaurateurs to get or stay involved in their local communities.

We're pleased to inform you that Blue Moon Mexican Café is the New Jersey Restaurant Neighbor Award winners and will now compete with other state winners across the country for the national award. Four national winners—one small businesses, one mid-size restaurant, one national chain and one humanitarian of the year—will receive a \$5,000 award to help support its favorite charity or community project. In addition to the award, the national winners will be flown to Washington, DC to receive the award at the opening session of the National Restaurant Association's Public Affairs Conference in Washington, DC on September 24, 2007.

All state winners will be recognized in a booklet highlighting their community service activities, and receive a commemorative plaque to display in their restaurant. A staff member from the National Restaurant Association may be contacting you soon to request more information on your programs, a company logo, or other details.

Congratulations on being selected as a state winner for this prestigious award and if you have any questions, please feel free to contact me at 800.848.6368 or call the National Restaurant Association at (202) 973-3679.

Sincerely,

Deborah Dowdell
President
